

A woman with blonde hair is shown from the chest up. She is wearing a blue, textured face mask that covers her nose and mouth. The mask has a complex, crystalline or woven pattern in shades of blue and purple. Her hair is blonde and styled in soft waves. The background is a plain, light color.

A Different
Kind of Human

AURORA

A Different Kind of Human

Text:

Hello? Hello? Hello?
Are you awake?
Or are you sleeping?
Are you afraid?
We've been waiting for this meeting

Oh, Superman, are you with me when I am too weak?
Oh, mother, are you dreaming of me in your sleep?

We have come here for you
And we're coming in peace
Mothership will take you on
Higher, higher
This world you live in is not a place for someone like you
Come on, let us take you home

It's time to go
You are infected
Come as you are
Don't be scared of us you'll be protected
(Protected, protected)

I guess you are a different kind of human
I guess you are a different kind of human

We have come here for you
And we're coming in peace
Mothership will take you on
Higher, higher
This world you live in is not a place for someone like you
Come on, let us take you home

There is a flow, in manmade matters
But you are pure
And we have to get you out of here

We have come here for you
And we're coming in peace
Mothership will take you on
Higher, higher
This world you live in is not a place for someone like you
Come on, let us take you home
(Hello? Hello? Hello?)

We have come here for you
And we're coming in peace
Mothership will take you on
Higher, higher
This world you live in is not a place for someone like you
Come on, let us take you home

Hello? Hello? Is anyone out there?
Am I home?
