**Checked baggage dimensions can be within 158 total centimeters (62 total inches) and not weighing more than 23 kilograms (50 pounds). Baggage exceeding the size or weight allowance is subject to applicable oversized weight and size restrictions and fees.

Baggage fees are charged in Canadian (CAD) dollars; for flight departures outside Canada, baggage fees will be converted and charged in the local currency of the departure country. GST is charged on all itineraries that originate in Canada. Please see <https://www.westjet.com/en-ca/flights/fees> for more information.

Passengers embarking upon a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that the provisions of an international treaty (the Warsaw Convention, the 1999 Montreal Convention, or other treaty), as well as a carrier's own contract of carriage or tariff provisions, may be applicable to their entire journey, including any portion entirely within the countries of departure and destination. The applicable treaty governs and may limit the liability of carriers to passengers for death or personal injury, destruction or loss of, or damage to, baggage, and for delay of passengers and baggage.

Additional protection can usually be obtained by purchasing insurance from a private company. Such insurance is not affected by any limitation of the carrier's liability under an international treaty. For further information please consult your airline or insurance company representative.

Data Protection Notice: Your personal data will be processed in accordance with the applicable carrier's privacy policy and, if your booking is made via a reservation system provider ("GDS"), with its privacy policy. These are available at <http://www.iatatravelcenter.com/privacy> or from the carrier or GDS directly. You should read this documentation, which applies to your booking and specifies, for example, how your personal data is collected, stored, used, disclosed and transferred. (applicable for interline carriage)
